Shubb such as many other racist White judges for their cruelty, archaic thinking and utter garbage rulings will all be displayed for the world to see. Such judges must be publicly reprimanded. To think this kind of behavior is on-going in the courts with the CJP and State Bar sitting and staring blind-eyed is a joke to say the least.

If Shubb thinks he will just go hire an Indian-American clerk or staff member, Shubb must remember that statute of limitations are for prior acts/conducts/omissions, not for future acts.

Shubb's racism was obvious in that derogatory message he wrote on the docket about Reshma Kamath that the latter objected to. Thus, there is no reason to show such racist and misogynistic judges an ounce of respect in timeliness, in writing, and in civility.

Racist people are usually the most civil.

Shubb also showed that he actually is idiotic in not knowing the law – he actually stated he doesn't get the Equal Protection theory of one-person class.

Shubb said one most accurate thing to Reshma Kamath: "maybe you're smarter than me." At least he got one tiny thing right.

Too bad Shubb's ego took over his common sense.
